## GOVERNORS IN TAFT LINE-UP

(Associated Press Cable.) WASHINGTON, D. C., Feb. 27. — President Taft today received assurances of the support of nine Governors of widely scattered States, while a guest at the seventh annual Washington University Club dinner at the New Willard Hotel. The chief executives of Minnesota and Iowa among the central States, Maryland, Pennsylvania, Delaware and Rhode Island in the East, Washington and Utah in the West, and Tennessee in the South are those who have come out in favor of Taft's re-election to the Presidency.

President Taft was the guest of honor at the banquet, which was presided over by Gardner F. Williams. This afternoon William Barnes, Jr., surveyor of customs of the port of Albany and member of the New York State Central Committee, held a conference with President Taft on the political situation and particularly on Roosevelt's attitude. Barnes, it is understood, characterized Roosevelt's speech at Columbus, which is considered as his preface for the Republican Presidential candidacy, as rank violation of Republicanism.

ITALY SUBMITS TO OUTSIDE JUDGMENT. (San Francisco to Kahuku Wireless.) LONDON, Eng., Feb. 27. — Italy has submitted to the judgment of the Powers the facts of the warfare in Tripoli which have been held up to her discredit since the massacre of Arabs. In the manifesto she describes the barbarous conduct of the Turks and protests against their atrocities. She will abide by the judgment of the Powers. Many bodies are mutilated and the most fiendish cruelty is practiced on prisoners, asserts the Italian manifesto.

FOUND INNOCENT AFTER CONVICTION. (San Francisco to Kahuku Wireless.) NEW YORK, N. Y., Feb. 27. — Foulke Engelbrecht Brandt, formerly chauffeur for Mortimer L. Schiff, and the center of a sensational criminal suit some time ago which placed him behind the bars for a 30-year term, will be a free man tomorrow afternoon. He was brought out of jail on a writ of habeas corpus which asserted that he was entirely innocent of the crime of burglary charged to him and in the hearings it has developed that the grand juryman who indicted him thought that they were doing so for perjury. The suit to free him has been a sensational one.

NO AGREEMENT OVER THE SUGAR TARIFF. (San Francisco to Kahuku Wireless.) WASHINGTON, D. C., Feb. 27. — The Ways and Means Committee of the house is deadlocked over the new bill proposing reductions in the sugar tariff. The committee is considering now the proposal to remove raw rubber from the free list and placing tariff on it calculated to make up to the government the loss sustained through the sugar-tariff reductions.

CHINA PREPARES TO ABROGATE TREATY. (San Francisco to Kahuku Wireless.) NANKING, China, Feb. 27. — According to rumors from official conferences the new Chinese government is preparing to abrogate the existing treaty between China and Holland, owing to the murder of Chinese subjects in Java. The Holland Minister to Peking with his suite are at Tientsin, ready to embark if hostilities are declared.

REVOLUTION HAS NO TERRORS FOR MADERO. (San Francisco to Kahuku Wireless.) MEXICO CITY, Mex., Feb. 27. — President Madero announced today that he is confident of victory and that the situation in the North, where the rebels are at their strongest, is
